—The University of Vermont musical clubs presented a fine program at their concert here on Wednesday evening and made a very good impression. After the concert a small company enjoyed two hours of dancing at Pythian hall for which members of the club furnished music.

RECENT DEATHS

Bowles.

Joseph Franklin Bowles died early Friday morning in the same house in which he was born and where he was married. He had been ill but a few days and although assisted by nurses and doctors, he put up a brave fight for his life, he was unable to withstand the disease, pneumonia. Mr. Bowles was one of the most popular salesmen traveling in this section and from all through northern Vermont have come expressions of regret at his death. He seemed to possess a genius for friendship and few men are blessed with so many true friends as he was. And he not only kept all his old friends but was constantly making new ones. He was a tireless worker and to his energy and alertness could be attributed much of his success as a salesman. Even his leisure hours were never hazy of idleness. For every minute when he was off the road was devoted to the making of furniture. Those who have seen the wide variety of articles fashioned by his hands realize that he was not only gifted with skillful fingers but with the artistic temperament. His cottage at Lake Memphremagog where the happiest hours of his life were spent was almost entirely furnished with the craftsman furniture he had made. Nature and an out-of-door life appealed to him and the summer days at the lake were golden days in his calendar. To his aged mother he was at all times and in all things devoted, to his friends a true friend, and to all who came within his acquaintance a personality that made an impression.

Mr. Bowles was born in St. Johnsbury, October 30, 1860, to Joseph and Mary M. Bowles, and all his life was spent in St. Johnsbury with the exception of nine years in Oshkosh, Wis. He returned to St. Johnsbury in 1883 and was for five years employed at the Fairbanks grocery store. For four years he was with the Martin L. Hall Co. as a salesman and for the last 11 years had been with the Holbrook Grocery Co. of Keene, Nashua, and Woodsville. His territory was northern Vermont. On June 16, 1896 he was married to Josephine Tabor, who survives him. His mother, Mrs. Mary M. Bowles, who is 86 years old also survives him, as do two sisters, Mrs. A. B. Noyes of St. Johnsbury and Mrs. F. B. McGaffey of Stanstead, P. Q. He was a member of Passumpsic Lodge, Haswell Royal Arch Chapter, Caledonia Council and Palestine Commandery, also St. Johnsbury Council, U. C. T.

The funeral was held Monday afternoon at 2.30 at the house, Rev. George W. C. Hill officiating. The bearers were Dr. E. H. Rowe, E. A. Blodgett, A. J. Corriveau, L. S. Jewett, E. E. McGaffey, and C. M. Berry. About 50 members of the U. C. T. attended in a body and acted as escort to Mt. Pleasant cemetery where interment was made.

Gove.

Ezra F. Gove died Sunday morning at St. Johnsbury hospital from Bright's disease. He had been in poor health for about two years and most of that time had been with friends away from home. He came to St. Johnsbury ten or twelve years ago and was employed in the valve room at the scale factory until his health gave out. His wife, who was Miss Ethel M. Warner, and three children, Priscilla, Paul and Walter survive him, as do also his father and mother, who live in Grafton, N. H., and two sisters, Ruth of Everett, Mass., and Hannah W., of Boston. He was born in Belknap Falls, June 7, 1851, and the remains were taken here on Monday for the funeral and burial.

Mrs. Minerva Brown, 72 years old, died Sunday morning at the home of her daughter, Mrs. A. G. Kim, to whom she resided. Death was due to apoplexy. Rev. F. S. Tolman read prayer at the house Sunday afternoon and the remains were taken Monday to Plattsburg, N. Y., for burial.

Noyes.

The remains of Mrs. J. A. Noyes, a former resident here, who died at Hardwick, Friday, were brought here for burial yesterday. She had been in poor health for a number of years, but for the past six months had been much worse. She has been kindly cared for for several months by Mr. and Mrs. Walter Noyes, at Hardwick during which time she has been a great sufferer. During her long illness she has borne her sufferings cheerfully and patiently. Emeline Whitcher was born in Groton, 78 years ago, one of a family of 13 children, only one of whom survives. Chester Whitcher of South Walden, who is 87 years old. Mr. Noyes died about 21 years ago, and their only son died about 31 years ago. The funeral was held at the home of Mr. and Mrs. Walter Noyes, Monday, conducted by Rev. Mr. Newell of the Methodist church. Mr. and Mrs. S. B.
